

Alyssa Terry's Market Hog "Penny" #625

Hello Kristen Wakeley!

My names Alyssa Terry from the Apopka High School FFA Chapter where I currently serve as President. I am writing this to thank you for purchasing my first market hog! This year was an eye-opening experience that will forever change my life. With the money raised from my hog, it will go towards my next market project my 2020 Central Florida Fair Steer "Cash"! I was honestly so very thankful when I heard "Publix at \$2.75 a pound". Being an employee at Publix, it was very personal & appreciative of my Publix family! Being an owner of Publix, its great to see our company buying and supporting our local 4-H and FFA members and their market projects! The next day when I went to work, I told my manager and all of my co-workers about Publix buying my pig. I think it'd be extremely amazing if my pig ended up at my Publix store #0501 . I can never thank you enough for purchasing my pig!

Thank you!
Alyssa Terry
