

2027 Livestock Sponsorship Programs

For 115 years, the Central Florida Fair has become a staple of our community for affordable family fun. Serving 6 counties and acting as a generational event, families have embraced the Central Florida Fair as an annual tradition. For 11 days you can utilize this perfect platform for high impact marketing and exposure to a captive audience of 200,000+ Central Floridians. Capitalize on the exciting Fair environment and create a One on One personal relationship with your future customer. Central Florida Fair is a registered 501(c)(3) organization under IRS guidelines and contributions may be tax deductible.

Arena Advertisement

Due Date: January 15, 2027

You've only got a few seconds to grab the attention of Fargoes and custom banners are a great way to make them count. Companies can purchase a Show ring Gate to advertise their companies during the 11 days of the Fair. Companies can purchase gates at a 1 year or 3 year rate. Limited to 12 gate sponsors.

Livestock Archway

Boost Your Brand

Due Date: January 15, 2027

You've only got a few seconds to grab the attention of Fairgoers and custom banners are a great way to make them count. Companies can purchase a section of Shade Cloth to advertise their companies during the 11 days of the Fair. Companies purchasing Shade Cloth sections will be given the first opportunity to continue the sponsorship for the following year. Shade Cloth Renewal happen every 3 years.

Photography Sponsor

Due Date: January 15, 2027

With over 900 entries and 400 exhibitors, your business gains maximum visibility as your logo appears as a watermark on every photo of your selected species. Enjoy free images to share across social media, connect with the agricultural community, and make a lasting impact before, during, and long after the Fair.

Additional Contests

Due Date: January 15, 2027

The Central Florida Fair celebrates agricultural innovation and creativity through hands-on contests like the Agriscience Fair, where students apply science to solve real-world agricultural challenges, and the Landscape Design Contest, showcasing teamwork and sustainable horticulture practices.
